zippo.com

Inside these pages is a look at Zippo like you've never seen it before!

We've re-designed, re-categorized, and re-configured our full line catalog to bring you a fresh, new, in-your-face look of today. More lighters are depicted full size, and varnished to a gloss that pops them right off the page.

Multi-Purpose Lighters – selling stronger than ever, and now available with your favorite licensed logos!

Urban Style is geared to our 18 – 25 year old demographic. We've included lighters from the new Turn Up the Heat assortment, added some great new looks designed by students from the Art Institute of Pittsburgh, and introduced edgy tattoo art from The Traditions Collection™.

Pure showcases Zippo lighters and finishes in their basic, beautiful, unadorned state. Armor lighters in chrome, brass, and lustrous sterling silver join classics like brushed brass and brushed chrome, sterling silver and solid gold, 1941 Replicas, a palette of matte colors, and a kaleidoscope of PVD finishes.

Work & Play includes a new lineup of NFL and NBA lighters, wildlife emblems, and Realtree® Hardwoods high definition patterns. Zippo's color imaging process brings to life marine life masterpieces from Guy Harvey and a funky collection of animal skins and feathers. We have a bumper crop of John Deere licensed lighters, including one in John Deere green.

Standard Issue salutes the men and women who serve in the United States Armed Forces and the NYPD.

Mood Selective coatings, Southwest motifs, scrimshaw chips, and spectacular engraved designs on Spectrum are highlighted.

Indulgence satisfies all your pleasures and pastimes. Kick back and enjoy games of chance, fast cars, beautiful women, timeless music, and adult legal beverages – all on a Zippo lighter.

etcetera . . . brings you great accessories for your Zippo lighter. Cover your butt with the all-metal pocket ashtray, or carry an extra refill of fluid in the personal fuel canister.

As always, we recommend only genuine Zippo flints, wicks, lighter fluid, and butane for optimum performance of any Zippo lighter.

MPL™

Multi-Purpose Lighter

For more than seven decades, Zippo has set the benchmark for pocket lighters, based on quality craftsmanship, dependability, durability, and a lifetime guarantee. With these same principles in mind, we designed the Zippo MPL™ (multi-purpose lighter).

The Zippo MPL™ is ideal for lighting grills, candles, fireplaces, stoves, campfires, lanterns, and more. With so many uses for so many people, and now available with so many favorite licensed logos, consumers will find the Zippo MPL™ to be the perfect utility lighter.

For optimum performance of every Zippo MPL™, we recommend genuine Zippo premium butane fuel (see page 79).

Turn Up the Heat

Artist Profile

Rachel Sheaters graduated with a Bachelor Degree from the Art Institute of Pittsburgh in September 2004. In the Spring of 2004, Rachel was one of eleven graphic design honors students selected to participate in a pilot program initiated by Zippo – the opportunity for art students to submit designs, with the hope of the art being selected for reproduction on a Zippo lighter. Of the five design concepts Rachel submitted, three were produced for Zippo’s 2005 Complete Line Catalog.

As a third year full-time graphic design student, Rachel also worked part-time at the Art Institute technology center as a Print and Macintosh Technician. In addition, she designed for freelance clients, friends and family.

Rachel explains her Grand Prize winning concept, including Love, from the Kanji Butterfly Series. “The Kanji Butterfly Series was inspired by the idea of Asian symbols and butterflies being as popular as they currently are. The design is universal between males and females without being gender biased. I chose to design a series of them, because each symbol can appeal to different types of people; therefore, making it a successful and appealing marketing product.”

Realtree® camo blends natural colors, lifelike shadows, and photo-realistic limbs, stalks and leaves into an incredibly three-dimensional camouflage. High Definition offers detail and clarity to a pattern like never before, yet patterns are so neutral that they disappear into virtually any outdoor setting. HD is imaging technology that offers the most visually

striking patterns ever produced, with every lighter displaying different views of the all-over larger pattern.

Olivia DeBerardinis, the world's foremost glamour artist, has graced the canvas of a Zippo lighter with her stunning renditions of the female form.

As a child, Olivia began to hone her skills as a master of the feminine figure, often using her mother as a model for sketches. She attended the New York School of Visual Arts and later began a publishing business called O Cards with her husband Joel Beren. After signing her first fine art publishing deal in 1984, Olivia's work proliferated across the country and around the globe. Her works have been featured in Playboy magazine and many other publications, as well as on greeting cards, movie posters, calendars, book covers and limited edition prints.
